STEP 2 Receive Confirmation from International SOS Philippines

As Executive Check-Up (ECU) packages vary per hospital, we will only send you the available packages of your chosen facility and specify those that are covered. If your preferred hospital is fully-booked on your preferred schedule, we will secure the earliest available slot or we can recommend alternative partner hospital/s who can accommodate your requested date.

You may expect feedback within 24-72 business hours upon receipt of the accomplished email details. ECU preparations/reminders will be provided upon confirmation of your appointment.

STEP 3 Attend to your Executive Check-up Prepared

1. Please come prepared and be on time. Upon your arrival, inform the hospital reception that you were referred by International SOS Philippines for your health check-up.

2. Kindly bring the following with you:
   - Valid Government and HMO Card (if applicable)

3. After your ECU, obtain the instructions on how you can get a copy of your results from hospital staff.

Please e-mail International SOS to update if you've completed the whole ECU package already or if you need to return to finish pending tests or if you were not able to attend, for rescheduling assistance and reporting purposes.

BE ON TIME FOR YOUR APPOINTMENT

It is best to come at the recommended time or earlier to give you ample time to complete all the tests in your package.

Due to the pandemic, providers are regulating the number of people they accommodate at a given time. Depending on the volume of patients during your visit, queuing and waiting may be expected.

If you were given an appointment especially for a specific test (e.g. Treadmill Stress Test, Ultrasound of Abdomen, etc.) accommodated on limited basis, **please come on time or at least 15 minutes before your schedule.**

CANCELLING YOUR APPOINTMENT

Should you wish to **cancel or reschedule,** please inform International SOS at least **3 business days before your appointment**.

Depending on the provider, financial penalty charges will apply should you fail to notify non-attendance for tests accommodated on strictly appointment basis.

You are encouraged to stick with your registered schedule as clinics have limited capacity during pandemic. Other employees are also registered in advance. **Rescheduling isn't guaranteed as it will be accommodated depending on provider availability and on a first come first serve basis**

Please wear comfortable clothing and closed shoes.

ECU PREPARATION

JPMorganChase

INTERNATIONAL SOS

REMINDERS

You play a vital role in determining the accuracy and reliability of your medical examination.

Please ensure to provide complete and accurate information to the clinic staff and adhere to the required test preparations.

Completing all your tests in 1 day is HIGHLY ENCOURAGED.

- In case you will not be able to do so due to an emergency, provider-related advice or sudden operational issues, please secure a confirmation of return slip from the provider which you need to present on your next visit.
- **Completion of pending medical tests are accepted within 10 business days from the initial date of visit** at the medical provider.
- **Contact International SOS** if you have any concerns or if you need assistance in scheduling for a test that requires appointment.

Ladies, if you are menstruating on the day of your visit, some tests may be rescheduled. These can be done at least 7 days from the last day of your menstrual period.

FREQUENTLY ASKED QUESTIONS (FAQs)

JPMorganChase

INTERNATIONAL SOS

1. Who are required to take the Executive Check-Up (ECU)?

- For 2026, ECU is offered to 604 - 605 Manila-based employees on voluntary basis within the anniversary of hire month only.

2. How do I book and when should I schedule my ECU?

- You can reach out to International SOS as early as 1 month before to schedule your ECU on your hire –anniversary month.

- Please reply to jpmc_manila@internationalsos.com email reminder of your personal details indicated in the announcement. Provide 3 dates most convenient for you to set a health check-up appointment. The earliest date should be at least 7 business days from the time of contact with International SOS

  If you have a restricted corporate email, we encourage that you use your personal email address to avoid delays. International SOS Philippines will update you with the progress of your ECU schedule within three to five (3-5) business days upon receipt of your request. ECU preparations/reminders will be provided upon confirmation of appointment.

3. What if my preferred hospital is not available or fully-booked on my preferred schedule?

- International SOS will recommend nearby partner hospitals most equipped to accommodate all tests in your ECU package on your requested date. If you're amenable, we can also secure the earliest available slot in your preferred medical facility.

4. If I was advised for a repeat urinalysis, can I collect the sample at home or in the office?

- To ensure accuracy of result, urine sample must be collected in the hospital.

5. What should I do if I was advised to repeat some tests or undergo additional tests?

- Any test recommended on top of ECU package can be personally arranged and done in the hospital or in your chosen provider, on self-payment basis or through your HMO. Check first the scope/limitations of coverage from your HMO provider, how and where you can secure an LOA or the process of reimbursement should you decide to personally pay. If any additional test results in a significant finding, kindly secure a fit-to-work clearance from your chosen provider.

6. If I have my menstruation, can I still have my annual medical check-up?

- Yes, you can still undergo medical check-up. However, urinalysis and pap's smear will have to be rescheduled to at least 7 days from the last day of your menstrual period.

7. What is CBC?

- Complete Blood Count (CBC) gives a general view of how your blood picture looks like. It may show normal or abnormal condition of the blood at the time it was taken.

8. Do I need to fast for Complete Blood Count (CBC)?

- Fasting is not required for CBC. Some blood tests that require no food and water intake for 10-12 hours preparation prior are Fasting Blood Sugar, Lipid Profile and Cholesterol Tests.

9. Will blood extraction cause bruising?

- Blood extraction does not generally cause bruising, but some individuals may have 'sensitive' blood vessels which easily ruptures upon insertion of needle or may have certain medical conditions that will cause bruising. To help prevent bruising: wear loose fitting sleeves, apply firm pressure to the site until bleeding has stopped, avoid lifting heavy objects after blood extraction. If bruising develops, you can apply ice or cold pack to the area to help ease pain or discomfort.

10. What is chest X-ray?

- A chest x-ray is a diagnostic imaging procedure that uses minimal dose of radiation to evaluate the general condition of your heart, lungs and chest walls.

11. Is it safe to get an x-ray if my monthly period is delayed or if I'm irregular?

- Yes, unless you're pregnant. Radiation exposure is not safe especially during first 3 months of pregnancy as it may cause health concerns or birth defects to the baby.

- If you are sexually active, it is advisable to consult with a doctor or to do a pregnancy test first if your monthly menstrual period is delayed or irregular.

12. Is it safe to get another X-ray if I had one three months ago?

- Yes, due to low dose of radiation, it is safe to have another X-Ray after 3 months.

13. When should I complete my pending tests?

- Completion of pending medical tests are accepted within 10 business days from the initial date of visit to the medical provider.

14. What if I want to undergo my ECU but I'm on maternity leave or prolonged leave during my hire-anniversary month, can I still have it when I get back from leave?

- You need to raise an HR Request within 30 days of return to office.

15. Can my dependents avail the ECU?

- ECU for dependents is not covered in this process. However, you may coordinate coverage through your HMO provider by contacting jpaccountofficer@intellicare.ph.

16. How can I request for another ECU schedule?

- Please inform International SOS 3 business days before your appointment.
- Depending on the provider, penalty charges will apply should you fail to cancel prior for tests accommodated on strictly appointment basis.

17. I am an expat on a Cigna package, do I have to go through the same process?

- Expats on Cigna package may coordinate their physical exam directly to their Cigna Coordinator.

18. I am an expat not on a Cigna package, do I have to go through the same process?

- Expats not on Cigna package should follow the ECU process as stated in this document.

19. When and how can I get my ECU results?

- Complete medical results will be available in 5-7 business days, depending on provider. After your ECU, please verify and obtain instructions from the hospital staff on how you can get the hard copy of your results or if they have an online portal where you can access/download the soft copies.
